The Team.

SUPRIYA SAHAI
FOUNDER & DIRECTOR

Leading Powerhouse Management is our founder — People & Business Management Advisor, Chartered MCIPD, Board Member, Executive Coach, and Leadership Facilitator.

S SUDARSAN
LEAD ADVISOR

Our Lead Business Strategy Advisor, an IIM Ahmedabad alumnus and Cost & Management Accountant, brings expertise in resource optimisation and strategic growth.

SONAM KALA
HR LEAD

As HR Lead, she drives executive search, HR transformation, and leadership assessments. With an MBA in HR and MIT Sloan certification in Design Thinking, she blends strategic insight with a people-centered approach.

Our Clients.

At Powerhouse Management, we are proud to partner with organizations that value people as the foundation of sustainable success. Our clients span diverse industries — from hospitality, retail, and manufacturing to education, consulting, and global corporates.

What unites them is a commitment to growing their people, strengthening culture, and building businesses that thrive long term. Each partnership reflects our belief in delivering tailored solutions that create measurable impact and lasting value.

Our Associations.

Being at the forefront of the industry, we have secured the most trusted accreditations and esteemed affiliations across the globe.

Our services are known for establishing the industry standard in quality, international recognition, and scientific effectiveness.
